Dear David,

Thank you so much for the cheque for £450.00 that you recently sent to us.

It is only with the help of people like you that we can carry on our very important work in finding cures for cancer and helping people with this dreadful disease.

Since research is the only way we can progress in this direction, we are indebted to the good friends whose donations enable us to continue our work, for although much progress has been made; there is still a long way to go.

Would you please pass on our sincere thank to everyone who helped to raise this money.

Yours truly,

Jan West
Community Fundraiser.
